

A breakthrough in helping **students and families** financially prepare and select the right college

A *College Cost & Planning Report*™ will help you find colleges that fit your student's career goals and your bank account.

Each report includes a side-by-side comparison of:

- + Colleges' published costs of attendance (sticker prices)
- + Your student aid eligibility amounts
- + Your estimated net costs (out-of-pocket expenses)
- + How to pay for each college
- + Monthly loan repayments for students and parents

Your *College Cost & Planning Report*™ also includes:

- + Detailed profiles of up to 10 colleges that your student is interested in
- + A customized timeline of key tasks and activities required to plan for college
- + An interactive, personal workbook space to evaluate colleges for "best fit"
- + An overview of how the student aid process works

In partnership with IECA, students will receive a 10% Discount off a *College Cost & Planning Report*™

It's easy! Just call a Student Aid Advisor today at 1-877-987-5082.

Before your personal consultation with an experienced Student Aid Advisor, gather the following information:

- The birth dates and e-mail addresses of the student and parent(s)
- Bank statements and records of money earned
 - Examples include a recent paycheck, your 2008 income tax return, Social Security (taxed amounts only), alimony, rental income, etc.
- Records of untaxed income
 - Examples include: child support, contributions to a 401(k) or retirement plan, veteran's benefits, etc.
- Current stock, bond, or other investment records (if applicable)
- Grade point average (GPA) and standardized test scores if available (SAT and/or ACT)

We'll take care of the rest!
